

Meeting Minutes

Date: February 20, 2019

By: Jean Davids, Secretary

The meeting was cancelled due to the snow and bad road conditions.

The assignment was **Outdoor or Cold Weather** photo. The topic was **Frozen Soap Bubbles and Snowflake Photography**. Jean Davids was to demonstrate the techniques for taking frozen soap bubble photos. In addition, she and Sanford Smith were going to discuss their experiences doing snowflake photos. Sanford will share his information at the next meeting and possibly do his door prize at that time.

I am going to post all my notes and everything associated with my presentation on the Meeting Minutes page of our website so that you can learn about the topic despite the meeting being canceled. I'll let you all know when it is all out there to view.

Upcoming March Meeting:

March 20

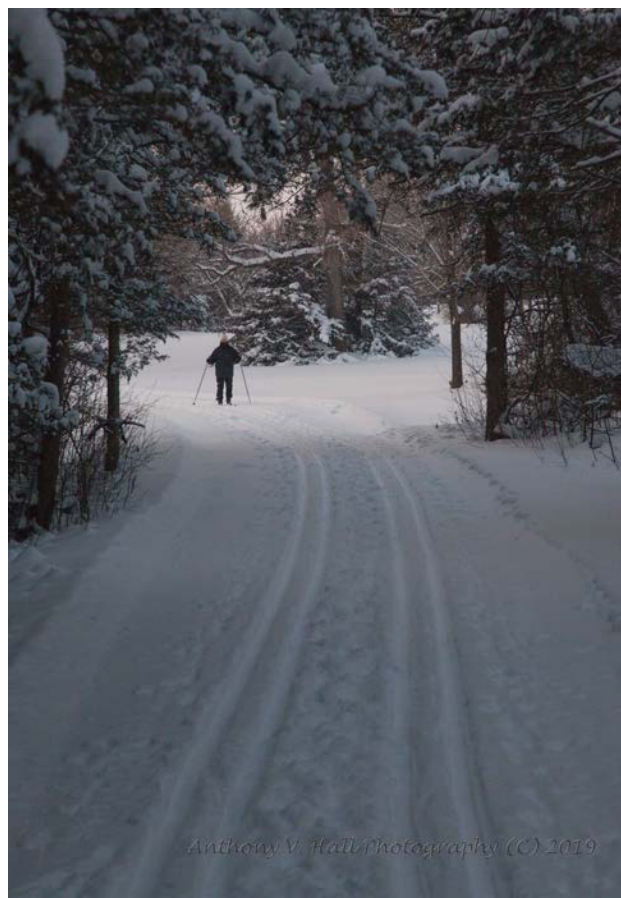

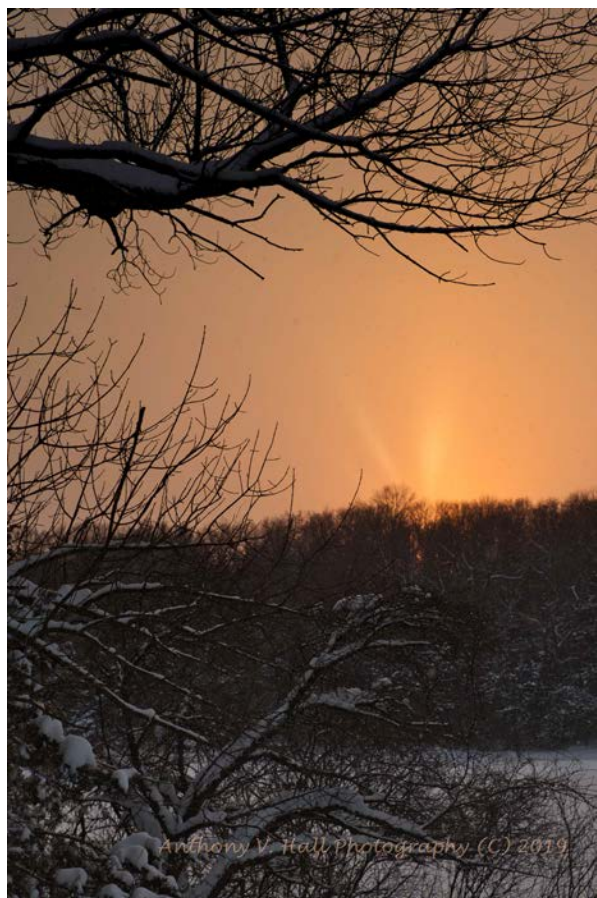

- Assignment: **Snowflake or macro photo**
- Topic: **Chris Lommel will do a critique of your photos**. Please send the ones you want critiqued to Jean one week in advance of the meeting so Chris can have time to review them first.

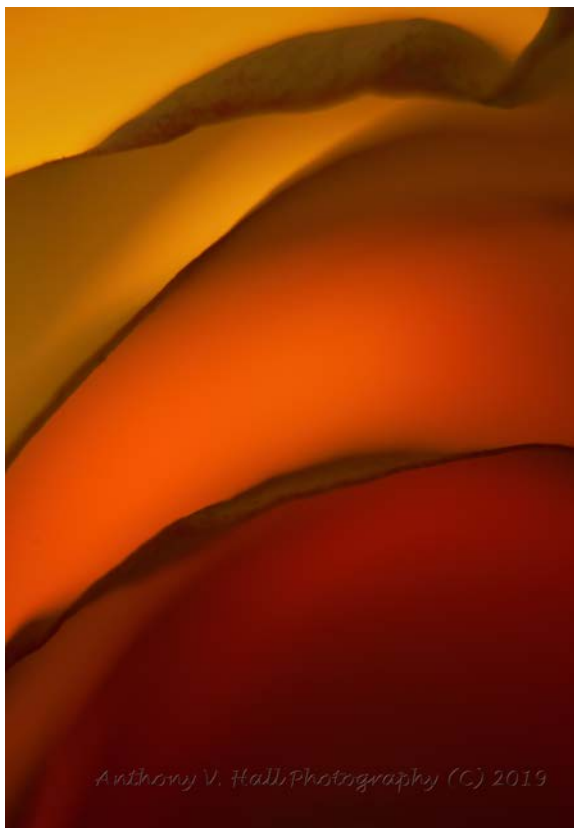

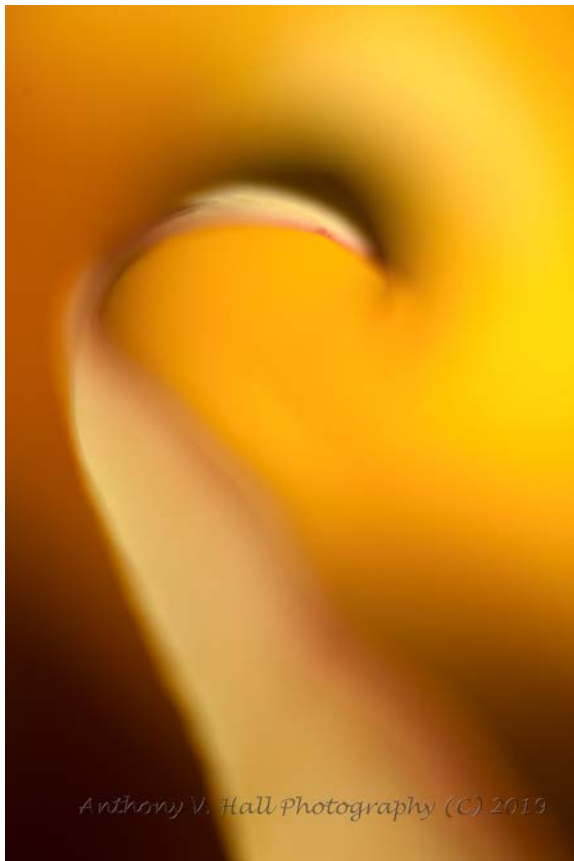

Here are copies of the Assignment Photos from this month:

Ann Reinitz (was planning on joining at the Feb. meeting)

Anthony Hall - Winter and macro

Anthony V. Hall Photography (C) 2019

Anthony V. Hall Photography (C) 2018

Bob Somerville

Val Somerville
