

# Meeting Minutes

Date: August 16, 2023

By: Jean Davids, Secretary/Treasurer

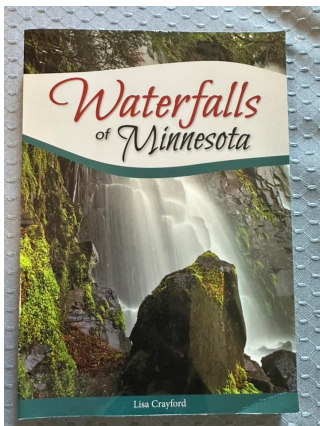

Heather Reinhart presided over the meeting. There were 12 members in attendance.

We had three members contribute photos for our assignment, "July". Thanks for sharing!

The assignment was "Photos in the Dark". We had some good examples and thank everyone for sharing.

This weeks topic of Landscape and Waterfalls was presented by Anthony Hall. He shared some of his night sky photos that he has been taking after a class he took that was presented by Bryan Hansel, a previous presenter we have had. It was on Night Skies and Anthony highly recommends it. Rules to follow to make sure stars don't elongate are: Use a good fast lens and filter to help with light pollution and block certain frequencies of light.

For Waterfall photos, he took some of the shots he shared with iPhone live view. Use Explore MN site to find list of Waterfalls of the North Shore. A book he recommended is shown below: Waterfalls of Minnesota by Lisa Crayford.

## 2023 Calendar
